Guitar World Acoustic Magazine Reviews The Masterbilt EF-500RA

Be sure and check out the March 2006 issue of Guitar World Acoustic Magazine. On page 91, Peter S. Kohman reviews the Epiphone [Masterbilt EF-500RA](#). Here's what Peter had to say:

...The setup was perfect and the fretwork clean and well executed - it simply plays like a dream...

...The EF-500RA-VS is one fine instrument; the moderate price tag makes it even more impressive...

...Epiphone has created a true "modern vintage" guitar at a price that most players can justify...

...The company should be proud of this series and the EF-500RA-VS in particular, as its sound and feel rival those of far more costly guitars. Masterbilt, indeed...
