### BetterGuitar.com Reviews The Elitist Sheraton

Be sure and check out [BetterGuitar.com](http://BetterGuitar.com) for a new review of the [Epiphone Elitist Sheraton](#). Mark Starlin awarded the the Sheraton the Better Guitar GREAT GEAR Award and had this to say...

***...the Sheraton has become a classic, as popular now as ever. However, Epiphone has taken the Sheraton to a new level of style and quality with the Elitist version...***

***...The Sheraton handled the gigs with ease and was a joy to play. I received many compliments on its sound and looks...***

***...Epiphone pulled out all the stops with the Elitist Sheraton. It is a beautiful looking guitar that plays like butter...***
